Why you are interested in attending FLCS? _____

We know that it is impossible to create a school with behavioral standards that are acceptable to every student. However, we believe that it is important to follow principles found in the Bible. There is a direct relationship between what a student believes and how he/she behaves. All students are expected to be a positive influence on others and to be a responsible member of the student body. The use of tobacco, alcoholic beverages, illegal drugs, profane language, immoral behavior, fighting, and insubordination to faculty or staff member will result in a serious disciplinary response. These rules are intended to help, not hurt.

Please state what you expect from FLCS (the teachers, counselor, athletic program, academic program, etc.).
